MINUTES OF COUNCIL ON ACADEMIC AFFAIRS
May 12, 1960

The Council on Academic Affairs held its nineteenth meeting at 10 a.m., May 12, 1960 in the Blair Hall Lounge--B207.

Members present were Mr. Damann, Mr. Giffin, Mr. Heath, Mr. Landis, Mr. Lefler, Miss Reinhardt, Mr. Rommel, Miss Smith, Mr. Tingley. Ex-officio members, Mr. Heller, and Mr. Manbeck, were absent.

- I. The minutes of the last meeting were approved as printed.
- II. No new communications were received by the Council.
- III. Discussion of Professional Education Requirements.

Miss Reinhardt introduced the following statement, terminating with a motion: "The Council on Academic Affairs will be concerned in due time with the curriculum for the degree of Bachelor of Science in Education. Many questions pertinent to this area deserve careful study. Consideration of the requirements in professional education is but one part of the overall problem. The present proposal for singling out this area for discussion while ignoring the need of examining curricular requirements in such fields as English, social science, and science, and of evaluating the programs for departmental majors is indicative more of lack of objectivity and/or lack of familiarity with appropriate procedures in curriculum construction than of genuine concern for teacher education. I move, therefore, that the council defer consideration of the requirements in professional education until a later date when they can be studied in their proper setting." Mr. Landis seconded the motion. The motion lost, with six votes opposed, three in favor.

- IV. Mr. Rommel moved that the graduation requirements in professional education courses including student-teaching in the curriculum for secondary-school teachers for the Bachelor of Science in Education degree be set effective September 1, 1960 at twenty-eight quarter-hours including four hours of methods courses to be taught by the various departments with the proviso that the allotment of the remaining twenty-four quarter-hours be made by the Dean of Instruction in consultation with the Education Department.

After considerable discussion, Miss Reinhardt moved that the motion be tabled; Mr. Landis seconded. Motion lost.

Miss Reinhardt moved that the meeting be adjourned; Mr. Landis seconded. Motion lost.

The question was called on Mr. Rommel's motion. The motion passed, with six votes in favor, two opposed, one member abstaining.

May 12, 1960

The meeting adjourned at 11:50 a.m.

James Giffin
Acting Secretary
